SUMMARY

I have completed my Bachelor's degree in Computer Science and Engineering. I am writing to express my interest in opportunities within your organization related to Software Testing or Quality Assurance. I have successfully completed a 6-month internship in QA Testing, where I gained hands-on experience in both manual and automation testing. My technical skill set includes Selenium with Python, SQL, test case design, defect tracking, and basic test automation frameworks. During my internship, I worked closely with development teams to ensure software quality and reliability. I am highly motivated, detail-oriented, and eager to apply my skills in a professional environment while continuing to learn and grow.
